His Dear Old Mother.

"My dear old mother, who is now eighty-three years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them. One thin, pale man in the large bathing suit, standing knee-deep in the water, sighed.

"Why, we asked, 'are you so sad?'"

"Alas!" he answered, "the sea is the grave of my first wife."

Our lips curled superciliously.

"But you are married again?" we murmured.

"Yes," said he, "and my second wife won't go near the water."—London Tit-Bits.
